## INTER-CLASS GAMES END IN 0-0 SCORES

### Decisions in Senior-Freshman and Junior-Sophomore Football Games Made on Gain In Yardage

Campus, Feb. 11.—In one of the hardest fought inter-class games ever pulled off on the local campus, the Seniors defeated the Freshmen 195 1-2 yards to 169 yards; as neither team scored the winner had to be determined by the number of yards gained. The Freshmen fought pluckily throughout the contest against their more experienced opponents, the work of their backfield being especially noticeable. The line of the Seniors was much superior to that of the Freshmen and it was probably due to this fact that the Seniors were returned the victors.

"Major" Gibson played into the stellar role of the game, he rarely ever failed to gain when he carried the ball and time after time he would rip up the Freshies line for substantial gains.

Harrison at half-back also did good work for the Seniors and the punting of Pearce was good. Among the Senior linemen, the work of Howle, Campbell, Rhinehart and Howe was the most noticeable.

For the Freshmen Storey was the stellar performer, this lad rarely ever failed to nail his man. Martin, Brown and Davis did good work in the backfield, the playing of Martin being especially noticeable. Nichols at guard and Saunders at end played well at times.

First Quarter. The Freshmen won the toss and elected to defend the east goal. Pearce kicked off 45 yards and Davis came back 9. Martin hit tackle for 2 then 3 yards. Davis failed twice at center and the ball went over to the Seniors. Gibson got 3 yards at tackle. On the next play he fumbled and the Freshmen recovered. Martin circled left end for 15 yards. Brown on 4 bucks gained 8 yards and the ball went over to the Seniors on downs. Williams hit right tackle for one yard, then Gibson got 8 yards at center. Harrison made first down over guard. Howle lost 4 yards on end around end. Gibson got one yard at center. Pearce kicked 30 yards and Davis failed to return. Martin got 3 yards around left end.

Second Quarter. Martin got 2 yards at tackle but failed to gain around end. Martin kicked 30 yards and Harrison came back 2. Harrison got 2 yards, then 3 yards at center. Gibson gained 5 yards at left tackle, 6 yards at same place, one yard at left tackle, 4 yards at right tackle. Harrison went through center for 2 yards and Gibson added 2 more over tackle. Gibson got one yard through center. Pearce fumbled and Storey recovered. Brown gained 2 yards over left tackle. Martin punted 40 yards and Pearce was downed in his tracks. Howle failed to gain around end. Gibson got 3 yards at tackle.

Campus, Feb. 13.—The second inter-class game of the season resulted in another scoreless tie, but the Sophs were declared the winners in number of yards gained, the final count being 132 yards for the Sophomores against 100 1-2 yards gained by the Juniors. The Sophomores started off with a rush in the first quarter, working the ball down to the 2-yard line, when a costly fumble ruined their chances for a touchdown. The game was marred by frequent fumbling on both sides and to this it was largely due that no scoring was done. The game was hotly contested from start to finish, every man fighting his best. The result of the game leaves the championship to either the Seniors or Sophs and this will be decided on the 22nd.

To "Bill" Stickney goes the lion's share of credit for the victory of the "corporals," the hefty fullback plowing through the line for gain after gain. McLemore at half also made some good gains and he was closely followed by Blanchard and Burroughs. Stratford played a steady game at quarter. Of the Soph linemen, Samford at center, Turnipseed at guard, Chapman at tackle and Robinson at end did the best work. For the Juniors Hudson at half did the best work, in addition to advancing the ball he made some pretty tackles. Rickenbaker at full played well at times, while Cosby, Barnette, Dowdell and Wagner were the best in the line.

First Quarter. The Sophs won the toss and chose to defend the west goal. Stratford kicked off 40 yards to the Juniors who fumbled and the Sophomores recovered. Stratford got 3 yards through the line. McLemore lost 3 yards at left end. McLean kicked out of bounds and ball was put in play on 35-yard line. Rickenbaker got 2 yards outside of tackle. He gained 4 yards at left tackle and ball went to Sophs on downs. McLemore went 17 yards outside of tackle. Stratford got one yard at left tackle. Blanchard got 5 yards at right tackle. Campbell replaced Roberts at guard. Stickney gained one yard over center. Stratford got 2 yards over center. McLemore failed over tackle. Stratford fumbled and Crosby recovered for the Juniors. Smith kicked 15 yards out of bounds. Stickney hit left tackle for 3 yards. McLemore circled end for 3 yards. Blanchard got 12 yards through the line. McLemore hit center for no gain. Stratford got one yard over center and McLemore failed to gain at same place. Burroughs replaced Stickney. Burroughs failed over center.

Second Quarter. Smith punted 30 yards out of bounds. Burroughs

fumbled and Witham recovered. Hudson got 4 yards over tackle. He gained 4 more at same place. Rickenbaker made first down over center, then failed to gain at same place. Smith failed to gain around end and was laid out on the play. McCormick replaced Smith at quarter. Rickenbaker got 2 yards outside of tackle. Juniors attempted to punt, fumbled and Sophs recovered the ball. Burroughs got one yard in the line. Blanchard failed to gain at end. McLemore got one yard at left tackle. Blanchard kicked 15 yds. Rickenbaker signalled for fair catch, was tackled and Sophs penalized 15 yards. Hudson got 3 yards over tackle. Rickenbaker, by successive bucks, gained 3 yards at left tackle, one more at same place, 2 at right tackle, 2 more at same place and one yard over guard. Rickenbaker fumbled but Hudson recovered for first down. Hudson hit center for 4 yards and left end for 4 more. Rickenbaker got 2 yards over center.

Third Quarter. Hudson kicked off 40 yards and Stratford came back 5. Stickney gained 5 yards through center, 4 more at same place, failed to gain on next play and 6 yards at center. Juniors were penalized 5 yards for offside play. Stickney hit right guard for 2 yards and McLemore got one yard at left end. Stratford got 3 yards outside of tackle. Stickney got 2 yards over center and the ball went over to the Juniors on downs. Rickenbaker hit center for 3 yards. Rickenbaker fumbled and Stickney recovered for the

## FESTIVE WEEK IS HERE

### Since 22d Falls on Monday, Three Dances Will Be Held

Friday night the Seniors, in their new dress suits, and the Juniors with their red ties will entertain with their annual mid-year sliding contest. The Sophomores and Freshmen are to follow suit the following night. On Monday night the four classes will combine in a hilarious free-for-all. The Thendara dance comes Saturday morning. One or two informal dances will be announced later.

Mr. Bidez will furnish the music with his veterans from the band.

Rare times are expected, for we have three instead of the usual two-night dances. The dances, along with the soccer game, scrub-all class stars, and the championship class game will furnish Auburn with enough excitement to last until commencement.

The visitors for the festivities will include young men and young ladies, especially young ladies, from all parts of Alabama, and Georgia too. We hope they will come early and stay late.

## ARCHITECTURAL CONTEST ON

The annual contest between the architectural departments of Tulane, Clemson, Ga. Tech and Auburn will close on February 27th. The design offered must be of a museum for the exhibition of sculpture. The judgement will be made in New Orleans. Cash prizes have been offered.

C. D. Montgomery, E. C. Nelson, P. N. Sowell and O. N. Lisle will represent Auburn. Last year the Auburn designs received honorable mention. The improvement made since should give us further recognition.

The judges are from Birmingham, Atlanta and New Orleans.

## PROMINENT MATRON OF AUBURN DIES

Following a brief illness, Mrs. A. F. Wills, the widow of the late Colonel A. F. Wills, U. S. A., a former commandant of the college, died at her home Wednesday afternoon. She is survived by her son, Cadet John Wills, of West Point, a former Auburn student. Mrs. Wills was one of the prominent figures in Auburn life, taking a large part in church work and numerous other activities. The funeral services were held Thursday afternoon from the Episcopal Church, Rev. T. J. Beard, of Birmingham officiating. The pall bearers were Ralph Riddle, Dr. Kimball, Dr. Petrie, Stewart Tichenor, J. W. Wright and Shell Toomer.

## CONCERT GIVEN UNDER AUSPICES OF GLEE CLUB

A most enjoyable concert was rendered on Feb 9th by Miss Belle Gottschalk, soprano assisted by her accompanist, Mr. Hugh Hodgson, a senior at University of Georgia. Both performers were enthusiastically applauded and they were unusually liberal in encore numbers. The concert was given under the auspices of the Glee Club and was very well attended.

Miss Gottschalk has a most pleasing voice which is rich in volume and melody. She pleased her audience most in the English compositions which she sang, although her repertoire showed a masterful knowledge of some of the greatest composers.

## CROSS COUNTRY RUN

In addition to the championship football game for class honors on Feb. 22, the second annual cross-country run will be pulled off.

There are already quite a number of men practicing for the event and the race promises to be well worth watching. Several attractive and valuable medals will be awarded the winners and in addition the winner of first place will be awarded his numeral. This will also be good practice for those who intend to try for the track team this year and a large number of men should try for the race. Auburn will meet Tech on the campus in track and field events on May 1 this year.

## BAND BOYS AT TAMPA

The band left for Tampa, Fla., last Wednesday to participate in the Gasparilla Carnival festivities. They are receiving most hospitable attention in the sea coast town and judging from the following extract from the Tampa Tribune have been accorded an enthusiastic reception:

"The famous cadet band of the Alabama Polytechnic Institute, at Auburn, composed of twenty-two of the leading young men of Alabama and neighboring States, will arrive from Auburn this afternoon to participate in the Gasparilla Carnival festivities. The band proved a prize-winner at the last Mardi Gras celebration in Mobile, and is expected to make a big hit here."

## AGRICULTURAL NOTES

There being no program prepared for Friday night, the Club discussed the coming banquet briefly and adjourned.

Mr. J. T. Williamson has been in central Alabama this week arranging local experiments for summer work.

Mr. N. A. Negley has been helping conduct movable schools in South Alabama the past week.

Prof G. S. Templeton visited the steer-feeding experiment at Allenville during the past week.

F. E. Boyd has been working with Prof. Holden in northwest Alabama in the interest of diversified farming this week.

Dr. F. A. Wolf left on Wednesday for Mobile, where he will speak at

AUBURN, ALA., FEB. 18, 1915.

Many a heart was filled with sorrow and sympathy for our one-time fellow student, John Wills, now a junior at West Point on account of the sudden death of his mother, Mrs. A. F. Wills, who was the widow of the late commandant of the A. P. I., Colonel A. F. Wills.

As an evidence of their appreciation of a number of handy articles made in our mechanical departments the following resolution was passed by the Senate of Alabama:

### RESOLUTION.

S. R. No. 34. By Mr. Holmes.  
Resolved, by the Senate of Alabama that the thanks of the Senate be and are hereby extended to the students and authorities of the Alabama Polytechnic Institute for the elegant specimens of handicraft of the students of said institution presented to the officers and members of the Senate.

Which was, under a suspension of the rules, adopted.

J. A. KYLE,  
Secretary.

With the beginning of the construction of our new gymnasium, which Manager Bragg states will be started within the next sixty days and the awarding of letters to winners of cross-country runs and Tennis Tournament, general athletics has received a strong impetus to become more general among the student body.

Auburn has always put out strong teams in the various athletic contests, but only a comparatively small number of men have entered into the real athletic life themselves and these new things should certainly be encouragement to every one.

Once more the gala season of the 22nd dances is close upon us with its influx of pretty visitors, whose winsome merry ways will play havoc with the hearts of many of our cadets in gray before their visits come to a close. The seniors are fully prepared to make hits and try

A year ago last night you blessed

Loved you, believed you, and let you go.

to make conquests among the fair ladies that will flatter us with their presence. Many a wearying look has been temporarily cast aside for the pursuance of a new step in the light fantastic or the attempt to fill an empty date, or a hurried call home for funds. However, we are all going to have a good time at the 22nd dances.

The sophomore co-eds are proud of their class for said one of them, "Our class is the brightest in College, because all the corporals are sophomores."

A little girl was discovered by her mother in a spiritual encounter with another little girl of her own age. Both combatants showed signs of strife.

The mother took her little girl into the house and talked to her regarding the awfulness of her conduct. "Don't you know it is wrong?" asked her mother. "It was Satan that urged you to fight."

"Well," said the little girl, "maybe he did tell me to pull her hair, but I thought of kicking her shins all by myself."

## THE OBSERVER

(By Overstreet)

The maiden blushed when her lover fell

Upon his bended knees  
And told her that he loved her as  
She stood there on the greens. \*

I know not what she would have said

Unto his ardent pleas

For her father came along just then  
And kicked him down the greens. \*  
(\* Look it up in the dictionary.  
We had to).

If some men who are failures had the devil's one virtue, perseverance, they'd get by.

It takes more than the common florist to pluck that beautiful flower, the aster, out of disaster.

Class football seems to be rather joned by scoreless games, both the Freshman-Senior and Sopho-

more-Junior games being decided by the yard system. The dope seems to point to a tight game between the Sophs and Seniors on George's Day and it is probable that some few kopecks will change hands as a result.

Cleanliness being next to godliness seems to have struck Auburn rather suddenly. The Civic League, the Commandant and other ladies interested have decreed the death of dirt and shabbiness. Good Work! (The Colonel further decrees that khaki caps shall not be worn with dark uniforms by anyone other than himself).

This week sees the opening of the mid-year dances, last week saw the close of the mid-term exams. May the former be more pleasant for the most of us than the latter were. Present indications are that these dances will be the best which old Auburn has seen for many days.

the Home Products exposition on Wednesday night.

Dr. W. E. Hinds will leave for Conecuh and Baldwin Counties on Wednesday night to take part in the movable schools program to be held in these counties.

Prof. J. F. Duggar spent Monday and Tuesday in Montgomery where he is assisting in developing the plans for the diversification campaign working out from that city.

Dr. W. E. Hinds has just returned from the Birmingham district where he assisted in the diversification campaign. He reports a total attendance of 2,000 persons at the eighteen meetings held.

Dr. Frank L. Thomas, Ph. D., of the Massachusetts Agricultural College has accepted the field agents position with the Entomology department made vacant by the resignation of G. W. Ellis. Dr. Thomas will assume his new duties March first.

Prof. J. E. Buck has recently returned from a trip to Bay Minette, where he investigated the ravages caused to young seed onions by the seed corn maggot. Work has been started looking to an early development of control measures.

During the absence of Dr. W. E. Hinds and Prof. J. E. Buck, of the Entomology department, Mr. W. C. Powell is in active charge.

## CIVIC LEAGUE

On February 15, 1915 the fifth meeting of the Auburn Civic League was held at the home of Mrs. Reid Yarbrough.

An encouraging report was read by the treasurer. Dues are willingly paid because every one can see the results of the work. Members come in late in order to have an excuse to pay five cents to the treasurer. Mrs. Wilmore, chairman of the City Beautiful Committee, announced that they had taken for their work this year the

beautifying of that portion of Main street lying between the bank and the station. Seventy-five trees have been set out. The old well will be improved.

Mrs. B. B. Ross reported for the Committee on Cooperative Work with the students, that they had found every one heartily entering into the plans for improving Auburn. The decrease of paper on public streets is already noticeable. The fraternities are beautifying their premises. The Y. M. C. A. lot would be taken in hand at once. The Wirt and Websterian societies are planning a debate as to the advisability of cleaning up before or after mosquitoes.

Speaker Carmichael and Dr. Stewart, two old Auburn men, recent visitors to the town, have commented most flatteringly upon the improved conditions.

The Committee for the Junior Civic League have some excellent plans for the near future. School gardens, a playground on a vacant lot, a clean-up day for the cemetery and other interesting activities are included in their plans. At the recent celebration of Arbor Day at the school house, the hedges were repaired by the children.

Mrs. Buchanan, chairman of the Tag Day Committee sent in as her report some forty dollars acquired recently by the young ladies of the town, who entered most heartily into the Tag Day work.

Mrs. Wright, chairman of the cemetery committee, said that the town had agreed to furnish a team and four hands on any day that they appointed to work in the cemetery.

The town health officer promised something interesting in the way of inspection of premises before the next meeting of the league.

Mr. Hutchinson, chairman of the committee for work among the negroes told of enthusiastic cooperation of the colored people. They had themselves furnished seven wagons and hands for removing immense piles of cans near their settlements. Have started a campaign for raising \$500 for repairing their school.
